What does this policy affect?

This policy affects the delivery of subjects of reformed GCE and GCSE qualifications which contain a component(s) of non-examination assessment.

The regulators' definition of an examination is very narrow. In effect, any type of assessment that is not:

- Set by an awarding body
- Designed to be taken simultaneously by all relevant candidates at a time determined by the awarding body, and
- Taken under conditions specified by the awarding body (including conditions relating to the supervision of candidates during the assessment and the duration of the assessment).

'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'.

[Definition taken directly from the JCQ publication [Instructions for conducting non-examination assessments](#), Foreword]

This publication is further referred to in this policy as [NEA](#)

Purpose of the policy

The purpose of this policy, as defined by JCQ, is to

- *cover procedures for planning and managing non-examination assessments*
- *define staff roles and responsibilities for respect to non-examination assessments*
- *manage risks associated with non-examination assessments*

[NEA 1]

What are non-examination assessments?

"Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- *task setting;*
- *task taking;*
- *task marking."*

[NEA 1]
