Blackfriars Bulletin

Volume 8 Issue 10

It has been an extremely busy few weeks at Blackfriars. We have been taking advantage not only of the weather but also of the lessening pressure created by exams and accreditation to get as many of the students out of school as possible. There have been leavers' trips, sporting fixtures and work experience all taking place as well as a range of visitors coming into school to extend the learning of our students and provide opportunities for them to engage with the local community and national organisations.

We are going to give you a snapshot of what has been happening in order to whet your appetite for the summer version of the Blackfriars Academy Chronicle (BAC)

We have also been very busy with Transition visits – these have been incredibly successful and I am pleased to say that we will have all of our students in on the 1st day of term in September. Thankfully, our transition plans this year have not been disrupted by Covid as they were in 2020 and 2021!
